SENIORS

Making your way in the world today takes everything you've got. Taking a break from all your worries sure would help a lot. Wouldn't you like to get away. Sometimes you wanna go where everybody knows your name, and they're always glad you came. You wanna be where you can see our troubles are all the same, you wanna go where everybody knows your name. Be glad there's someplace in the world where everybody knows your name, and they're always glad you came. You wanna go where people go, people are all the same, you wanna go where everybody knows your name.

SEASONS FOR CHANGE

The Seasons of our lives
are seasons for change.
They are passages of time,
full of thoughts, actions and people
rearrange
our days into memories.

They begin with our dreams,
each as numerous as the autumn
leaves that remind us
of the changes that life holds in store
for us.

And as winter's snow
changes the world around us,
so too, do our perceptions
of our selves and the paths we
seek to follow.
It is a time of thought, a time of
self, a time to reflect on where
we are going
and who we will become.

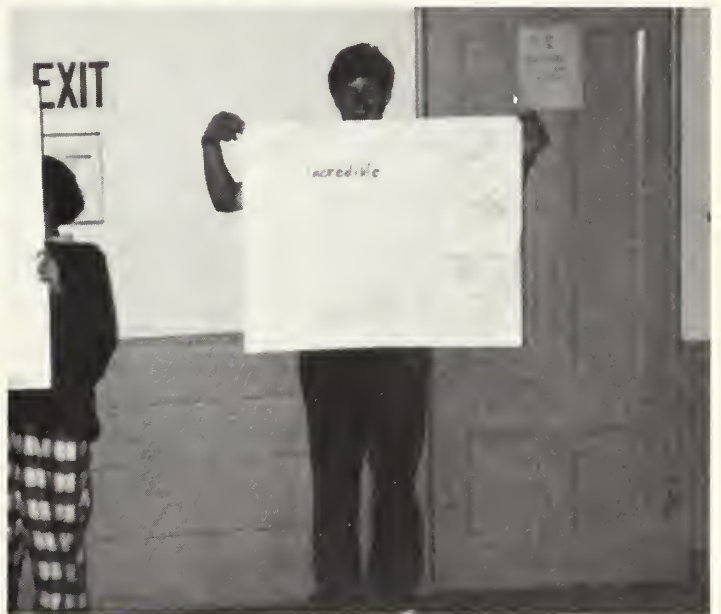

Soon, these answers become clear,
as the world around us springs
forth with challenges and change.
Never constant,
we are a reflection of the world in
which we live,
a world where our todays prepare
us for the tomorrows to come.

Summer then beckons us to leave
this place we have come to call home.
And as we end one dream, we begin
another.
For the seasons of our lives, are seasons for change.

It must have been cold there in my shadow
 to never have sunlight on your face
 you were content to let me shine
 you always walked a step behind
 so I was the one with all the plory
 while you were the one with all the strength
 a beautiful face without a nam for so long
 a beautiful smile to hide the pain
 Did I ever tell you that you're my hero
 you're everything I wish I could be. I
 can fly higher than an eagle
 you are the wind beneath my wings
 It might have appeared to go unnoticed
 but I've got it here in my heart
 I want you to know the truth
 I would be nothing without you
 Did I ever tell you you're my hero
 you're everything, everything I wish I could be
 you are the wind beneath my wings
 Fly! Fly! Fly! You let me fly so high
 THANK YOU, THANK YOU, THANK YOU!!!!!!
 Thank god for you, the wind beneath my wings.....

STAY FOR AWHILE

Words and Music by Michael
W. Smith,
Amy Grant and Wayne
Kirkpatrick

LONG TIME SINCE I'VE SEEN
YOUR SMILE
BUT WHEN I CLOSE MY
EYES
REMEMBER
YOU WERE NO MORE THAN
A CHILD
BUT THEN SO WAS I
YOUNG AND TENDER
TIME CARRIES ON
I GUESS IT ALWAYS WILL
BUT DEEP INSIDE MY HEART
TIME STANDS STILL

STAY FOR AWHILE
WELL IT'S GOOD TO SEE
YOUR SMILE
AND I LOVE YOUR
COMPANY
STAY FOR AWHILE
AND REMEMBER THE DAYS
GONE BY
FOR A MOMENT IT CAN
SEEM
JUST THE WAY IT USED TO
BE

SNOWFALLS, PHONE CALLS,
BROKEN HEART
CLEAR SUMMER DAYS
WARM AND LAZY
LONG WALKS, LONG TALKS,
AFTER DARK
WE VOWED WE'D NEVER
FORGET
NOW IT'S HAZY
TIME TAKES ITS TOLL
AND TIME ALTERS OUR
VIEW
IT WOULD BE NICE TO
SPEND SOME TIME WITH
YOU

To The Class Of 1990

You are the first class to commence their post - high career in the the 1990's. To you 1990 may be just another year. But with a bit of historical perspective, I hope you will realize that you are destined to be part of an exciting, confusing and turbulent period.

Will the political changes in Eastern Europe permanently end the Cold War? Is it true that for the first time since the 1920's our economy will not provide more for you than it did for your parents? Who has the right to decide to end life? Will we have enough pure water to drink? Where will we put all the garbage we produce? You will be in a position to influence how these questions will be answered. You will study, choose jobs, vote, and take on leadership roles in a community.

All signs indicate that you are ready for the challenge. You have developed analytical skills. Your compassion for others is outstanding. This was demonstrated by the great number of your class who helped make the start of the community service program a great success. You have the skills to act cooperatively. Your class, more than any other I have known could hold a meeting of 50 people at which the participants listened to each other and came to a conclusion. Your leaders, although reluctant to step forward, showed strong leadership once appointed or elected. Having been favorably impressed and sometimes pleasantly surprised by these leaders, I wonder what some others might have accomplished if given the burden of responsibility. As I see it, you tend to sell yourselves short; you are truly too modest. While this is a refreshing counterpoint to the abundance of arrogance in the world, it may reveal your weakness- a lack of confidence. In the 1990's we will need leaders who are critical, compassionate and cooperative; you have these skills. As each of you develops confidence, I believe we will find you leading in large and in small ways. There is much to do, and you have much to give.

DEDICATION

The dedication this year goes to a man who is very special to the Senior class. When we began the Seventh grade, he was our teacher, our friend, and a person to laugh with. He told us many stories of baseball, football, and lilliputians. He has been a teacher at Manchester for twenty-three years and has contributed to our school by teaching many science courses.

He coached Basketball in Manchester as well as Masconomet, the South Shore and in Maine but led Manchester to win its first state Championship. He is also a retired major League Scout for the Philadelphia Phillies. Through the years we could always see him walking down the hall giving a quick hello and a wave.

Mr. Harry Tozier returned to Manchester High School for our Senior year. The class of 1990 would like to dedicate the Anchor to Mr. Tozier, a man whom we know will continue to brighten the lives of students throughout the school for a long time to come.

Mr. Bruce And Mrs. Alice Magoon

Inside the gym an eerie silence is the only sound. The room is filled with memories of the special people, now gone. For some, their thoughts are of close friendships and for others, respect and gratefulness for their gentle kindness lingers. The students are solemn and serious.

It seems as if it should be dark and still outside the homeroom window. But the leaves aren't wilting, they are rustling with vitality. The breeze is no longer gentle; it is shaking the trees. The air isn't cold, and the sun isn't dimming. It is warm and glowing because of the many ways that each and everyone of us was and will continue to be touched by Mr. and Mrs. Magoon.

By Kate Griffiths

Mrs. Mary Gero

Mrs. Gero was a very important part of Manchester's School System. She was a caring and loving person who will be missed dearly by all the students and faculty who knew her. Even more important she will be missed by the students who will never know the benefits of her help.

To me, Mrs. Gero was a teacher who earned my respect through the respect she gave me. Though Mrs. Gero is no longer here with us, her work has helped hundreds of students who I'm sure will be ever grateful for having had her as a teacher.

CAPE ANN COLLABORATIVE

Life Skills-

We certainly have had an interesting, challenging year in Room 236! David and Al moved across the street from Memorial, Jam and Laurie arrived from Ipswich, and many of the older familiar faces of Jay, Doug, Carol Michele, Geoff, Lisa and Matthew are now on seen in Manchester on Monday and Thursday's. The remainder of the week is spent in community based program in Ipswich under the direction of Vicki Perocchi and Judy Boyd.

A harvest party and Christmas party were planned and enjoyed by the Life Skills Class. These were given for all the Life Skills classes in the area. A visit to the Topsfield Fair, video and films in class, and participation in Special Olympics have enriched the school year.

Community service projects have been a part of our program. The students have prepared packets for the Muscular Dystrophy Association, helped with a mailing for Don Bosco in Ipswich, read to a pre-school in Ipswich, and here at MHS, kept the juice machine filled for the Senior class.

It has been an exciting year and the students have shown tremendous effort and growth. We would like to wish our 1990 graduates, Dot Pacheco and Carol Seaver the best of luck in their future endeavors.

The Manchester Debate Team capped off the 1988-89 season with a strong showing at NCFL's in Philadelphia. Particularly outstanding for Manchester was Kathy Curry, who was seeded second among Lincoln-Douglas debaters after the preliminary rounds at this highly-competitive national tournament. Among the other debaters who accompanied Coach Averill to Philadelphia last May was the up-and-coming Varsity team of Karin Andersson and Seth Verry. Leading the way for the young '89-'90 Varsity squad, Karin and Seth have been successful at the University of Massachusetts and the Bronx High School of Science tournament.

A large group of eager juniors and seniors have actively pursued LD debate this year. Caroline Nassons's impressive second place finish at Lexington has hopefully provided the spark needed to sent LDers back to Nationals this spring. The biggest novice team (more than 30 students) in Manchester history has also made a name for itself on the debate circuit this year.

The departing seniors, Abby, Ashley, Tim, Ed, Caroline, and Kerri thank Coach Averill for making our debate experience so exciting and enjoyable!

Record 6-6-4

High Scorer: Andra Diephuis

Despite the fact that we had only one senior on the team we were in every game and dominated in most. Our youth did not hinder us, it helped us. We had boundless energy and could outrun most teams. This was the most talented team I have ever watched. The level of skill and stickwork was higher than almost all other high schools and it was noted by every official and coach this season. We played with the finesse of college teams.

CROSS COUNTRY

Following in the footsteps of last years Cross Country team was a challenge, seeing as how it was the best year in Manchester's history. The team began this year with the initiation of quite a few new runners, who ran well in several races against difficult opposition. With the excellent efforts of Jeff Smith, Chris McConnell, and Nathaniel Wales, the future should hold definite possibilities.

Best wishes to the veterans of the Manchester High school Cross Country team and special thanks to Dominic Priolo who stuck with us every step of the way.

(We were on the road to nowhere, but we finally got there!)

The JV Soccer season concluded its first season with a record of 3-5-1. It was successful as only one of the losses was one sided. The rest were very competitive with three of the four, one goal games. Eight of the 14 players were freshmen, so next year's version will be stronger and more experienced. The players worked hard, had great enthusiasm, and had fun.

Girls softball had a good team when dealing with effort. Their record was 1-14 but their team spirit and enthusiasm showed their love for softball. Five of the outstanding players on the '89 team were Molly Heffernan, Lora Boehlke, Alisson Burgess and Katina Brown as well as Armelle Delaforcade. They hope that their 1990 season is very successful.

BOYS TENNIS

1989 was a growing year for the boys tennis team. We had a very young team with three freshmen and two eighth graders making up five of our seven varsity players. The teams record of 4-8 was definitely not proportional to our talent. Because of the fact that none of our players were seniors, this year we hope to better our record in 1990.

GIRLS TENNIS

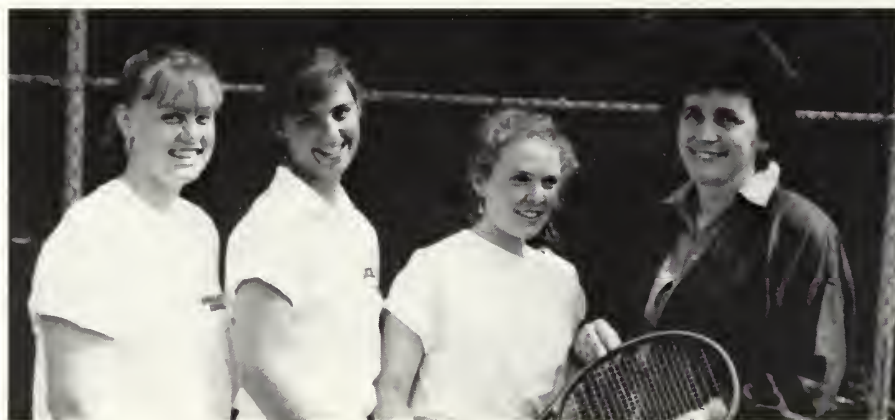

Tennis 1989

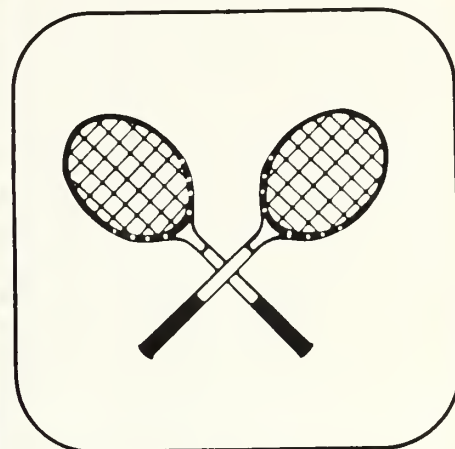

The Girls Tennis Team had an outstanding season due to the tremendous effort and talent of *every* member. Johanna, Lauren A. and Abby were almost unbeatable at singles while our doubles teams of Molly/Michele and Mandi/Lauren B. were exceptional!
